## **Acceptance and Refusal of Authorisations (Consents/Permissions)**

To ensure a physical, emotional and psychological safe environment, and to support our 'duty of care' responsibility we seek parental / guardian consent. In some circumstances further consent from your child's doctor and/or other relevant Government agency i.e. Families SA may also be sought.

### **Instances include:**

- Administration of medication to your child(ren) whilst at kindergarten/occasional care.
- Adminstrating medical treatment, inclusive of transportation in an ambulance.
- Taking of photographs / videos of your child(ren) whilst participating in preschool or associated events.

### **Collection of children**

- Initial consent sought at point of enrolment and identified on enrolment form.

### **Excursion.**

- A separate consent is provided prior to excursions, outlining route(s), dates/times, transportation and purpose. For detail information please refer to Excursions – policy.
- Incompletion of consents could lead to refusal to enact the authorisation.
